We are seeking expressions of interest in participating in the Commonwealth Local Government Young People's Forum (CLGYPF) taking place on **13-14 May 2013 at the Muyonyo Conference Centre, Kampala, Uganda**. Participants will also attend the Commonwealth Local Government Conference which will be held immediately after from 14-17 May 2013.

These events will bring together young professionals, elected councillors and other key stakeholders working with local government across the Commonwealth. Following the Young People's Forum, delegates will attend the main conference on *Development local government: Putting local government at the heart of development*.

The two-day international forum will examine:

- What development means to young people
- How can young people promote and participate in development with local government
- What should follow the 2015 Millennium Development Goals

The deadline for expressions of interest is 30 April 2013

Outcomes

At the end of the forum, the participants will produce and share a clear set of recommendations to be inputted into the main conference.
